**Subject:** Re: Pajaro Dunes GHAD Board interest

Hi Sarah,

Please take this message as my letter of interest.

I am excited to apply for the open position on the GHAD board. I believe that my skills and experience can contribute to this effort greatly. After retiring from a long business career, my wife and I moved to Pajaro Dunes on a full time basis, having owned a home here for 25 years. I'm a seasoned company manager with broad experience in project management, procurement, strategic alliances, sales and general management. Having worked in the same industry, yet responsible for so many different aspects of the business in several countries demonstrates both my stability and flexibility while handling unexpected challenges. Please see my CV, which is attached. I look forward to serving on the board and contributing to the efforts to protect our homes and community.

Regards, Jack

# **STATEMENT OF QUALIFICATIONS:**

Please briefly describe your qualifications and why you are interested in serving on the Board of Directors.

# Hello!

I have been a full-time resident at Pajaro Dunes since I sold my previous home in Los Altos in 2010. It is my guess no more than a dozen of the 256 properties here are primary residences for their owners. I am very fortunate to be in such a

minority group of owners. The remainder could best be described as weekend warriors hoping for a good sunny day at the beach as an escape from their lifestyle pressures in Silicon Valley or uncomfortable heat found during the summer months in the Central Valley.

Most days I take a walk to view the Pacific Ocean and also consider how wonderful this exclusive development is to have "some" protection afforded by the seawall. Overtime, there have been issues with certain portions of the rock revetment wall needing repair. We must strive to always remain vigilant and be kept informed by experts of its overall condition. Whenever there is a storm, I would imagine it certainly poses a major concern for the immediate front-row owners; my concern is far less because my home is in the back row adjacent to Rio Boca Road.

As a licensed Real Estate Broker for more than 25 years, I cannot promise you I will definitely own this particular home for another 4 years to fulfill the intended term of a Director. Moreover, the mere existence and purpose of this unique wall must be adequately disclosed to any prospective buyer by all sellers. I am sure you will agree having some facts of its true condition, rather than simply taking an educated guess, should be available upon demand by anyone whose property lies in this district. These are some of the goals I hope to see this board accomplish without delay.

Best,

Steve Erickson, Broker
